

SWAMID eduGAIN Metadata Registration Practice Statement

SWAMID is a member of the Interfederation eduGAIN. In the same way that every member of SWAMID must write a Trust Declaration in the Identity Management Practice Statement, any member of the interfederation write and publish a Federation Metadata Registration Practice Statement.

SWAMID export all Identity Providers to eduGAIN by default. A member organisation can decide to opt-out this export.
SWAMID only export services to eduGAIN that opt-in and uses current international entity categories.
